

know we made a deal to purchase
the old AB Mitchell property.

I am not sure at this time when
I can get out of the service. From all
indications it is going to be rough.
There are two reasons. First, much
of our particular work is in
research in convalescent program,
and there is so much to do. Secondly,
since the fall of Germany, there
has been a deluge of requests in
our command for separation from
the service and the General has
not received them very enthu-
siastically. Some of them are for almost
immediate separation. As time
goes on he is going to have to
make some concessions and
I shall approach him a little later
on.

Thanks for the "Rebonds". I
always read from cover to
cover.

Please remember me to
everyone in the Dept.

Sincerely

E.
