Dear Mrs. England:

I have written your son, Harold, and am now writing you. I remember with great pleasure when I visited Halstead last year to speak to the basketball team at their banquet. We had such a nice visit that after I learned this morning from Mr. Woolcott that Mr. Quigley had been there and arranged with you and Harold for Harold to attend the University, I wanted to write you and congratulate you and Harold upon the decision. I am sure that he will not be sorry.

I do not know what your plans are, but I thought maybe you might want to move to Lawrence. There are many opportunities here, and if you are not tied down at Halstead I know you would enjoy being in Lawrence and being near your son.

Won't you write me and let me know what your plans are, and if we could help you in any way it would be a great pleasure.

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
