

DON P. EBLING
UNITED STATES NAVAL RESERVE

Christmas Day

Dear Dr. Allen -

We thought you would like to see the program from the commissioning of Don's ship. He has been so busy since that he hasn't had time to write you. He received the November Rebounds. We both enjoyed the news and found your message most inspiring.

Don received his promotion to Lt. j. g. Dec. 1st. and in the future his address will be:

Lt. j. g. Don Ebling APD-
U. S. S. Alex Diachenko, ~~APD~~ 123
70 Fleet Post Office
New York, N. Y.

He is on board ship today so it doesn't seem much like Christmas. However we celebrated last night and I'm just thankful to have him nearby.

Our best wishes to you for a prosperous New Year.

Sincerely,

Marjorie & Don Ebling
