

# THE RUSSELL PUBLIC SCHOOLS

. . . . Office of THOMAS L. IDEN, Superintendent . . . .

RUSSELL, KANSAS

I surely appreciate your interest in these boys. They are fine boys and I feel that one or both may work well into your squad.

I will be in Plains, Kansas for June and July but I am leaving word with Mr. T. L. Iden, Superintendent to try to keep informed concerning the boys' plans and let you or me know if they seem to be changing their minds.

Sincerely yours,

*Harold R. Elliott*
