

December 11, 1943.

Mr. H. W. Bouck, Manager,  
Chamber of Commerce,  
Emporia, Kansas.

Dear Mr. Bouck:

I am not in any special hurry for my expense money to Emporia, but I thought since I had a small accident to my car - someone knocked the mud-guard off the fender - that if you wanted to take care of that expense inasmuch as I made no charge for the trip, I would let you.

I drove my own car which is a club sedan 1941 Buick, one of the biggest, and I know that I cannot travel for 6¢ a mile what with tires, gas and upkeep at the present time. I believe that by the time I get my car fixed, \$20.00 would not be out of line for the trip. I told someone at the Chamber that all he needed to do was to figure my car at 6¢ a mile both ways, but I certainly do not want to lose money on the trip nor do I want to make any money. However, I figure that this would be a fair arrangement under the conditions.

It was a great pleasure for me to make the trip to Emporia as I met so many of my old friends and enjoyed being with the fine group of people that I was thrown with that evening.

With all good wishes, I am

Very sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
