

January 13, 1944.

Mr. Fred Ellsworth,  
Alumni Association.

Dear Fred:

I find that the obstacle course of Gonzaga University, as pictured in *The First Aider*, is one that we had already seen. A couple of months or more ago we asked Poco Frazier to work on a project for us so that we could print views of our obstacle course, but I guess Poco has been too busy to do anything about it.

Sincerely yours,

FCA:AH

Director of Physical Education,  
Varsity Basketball Coach.
