February 23, 1942

Dr. F. C. Allen
Basketball Coach
Kansas University
Lawrence, Kansas

Dear Doc:

I have your letter and already have the old spine tingling feeling over the prospect of seeing your great club play this week. I am not certain that I will get to Stillwater but I have the promise from Iba that I can sit behind the Kansas bench if I get there. I guess you have heard about the rubber shortage and the war. This in part will account for the reason that you have not heard from me, but who doesn't have problems these days and why should I worry you about mine.

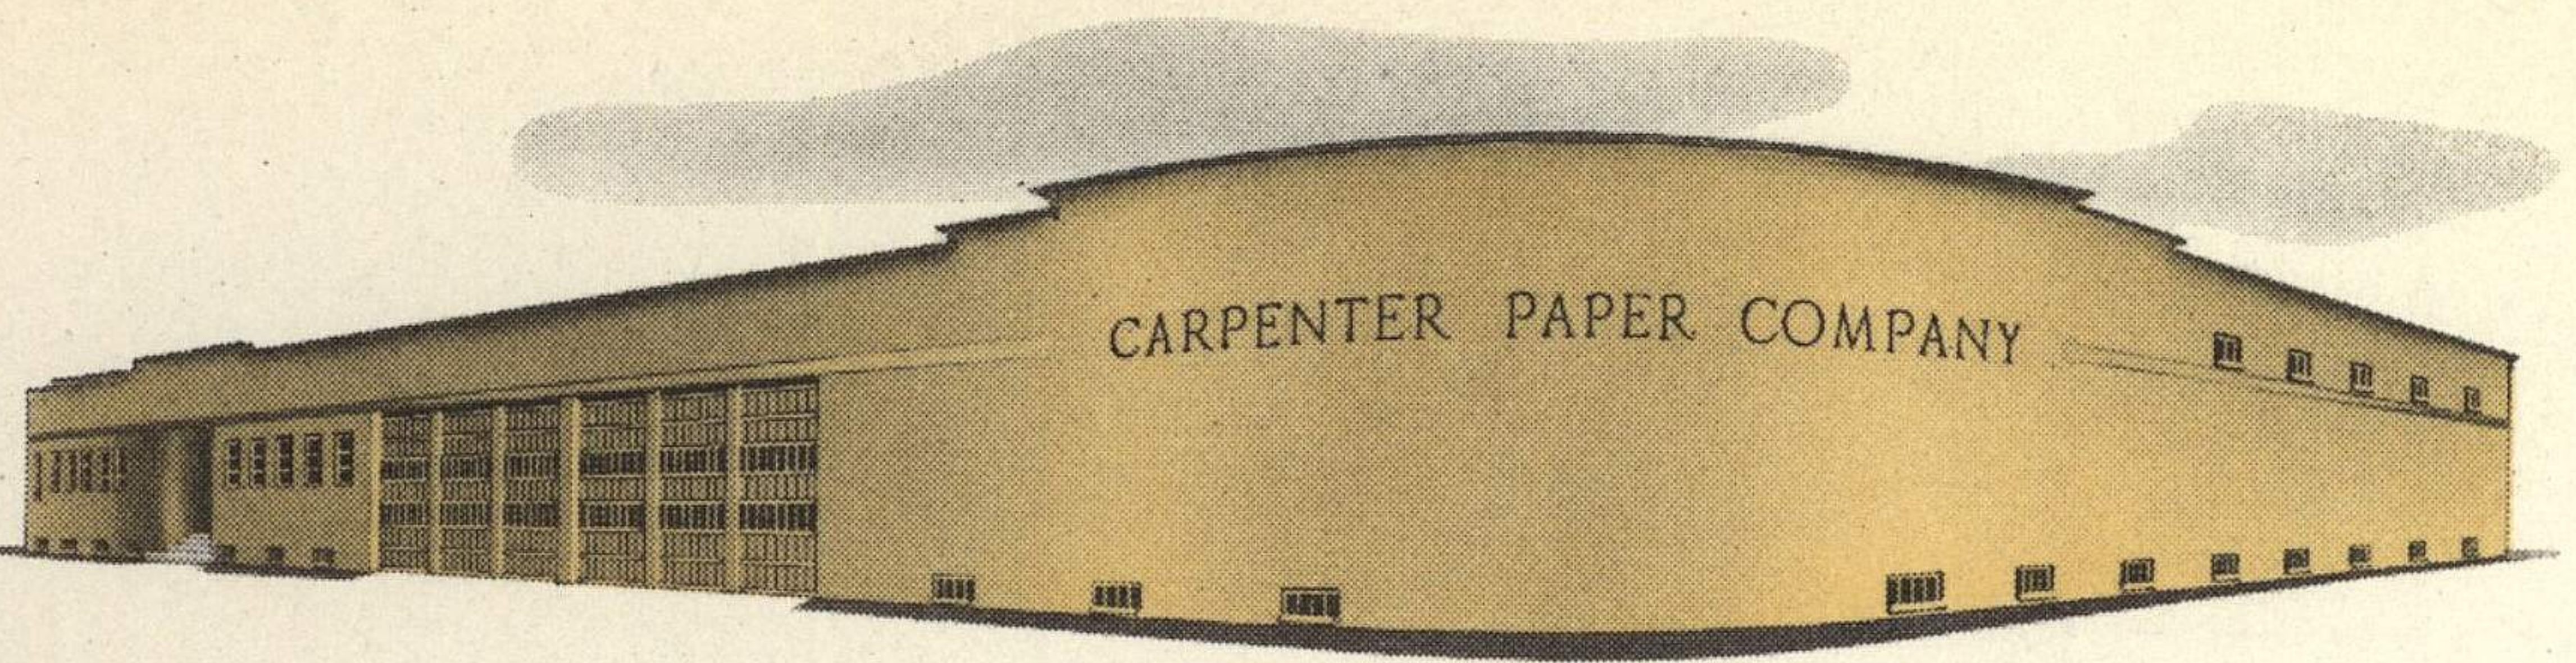

I have already made arrangements for the use of the Central Gym for you. I will be happy to extend any service or facilities I can to make your stay here as pleasant as possible. Would you want to practice as soon as you arrive or later in the evening? It will be necessary to have a custodian there to turn on the lights for you.

I don't know what the traffic situation will be but I will have a Highway Patrolman escort you to Norman. If everybody goes to this game that says they are going at four o'clock, you won't even be able to get your team through the door. Frankly, you are going to have a rough evening from the standpoint of the crowd as well as from an inspired basketball team. I think they will have to lock the doors at about ~~4:00~~ ^{4:00} with about 7,500 inside and about 2,000 people outside, a situation ~~comparable~~ ^{comparable} to the one when Henry Iba was there.

I wish I could help you dismiss the thought from your boys' minds that they are going to have a picnic down here. O. U. thinks you

Carpenter

have a sorry defense and frankly they have the best ball team they have had since 1928 and they think the game is in the "gunny."

I do wish your guards could have seen Tucker play. He certainly is elusive and Nebraska used two men on him. the minute he got his hands on the ball, one behind and one clutching in the front. This is the only effective defense I have seen used against him. He always pivots to the right and shoots with his left hand, then when he pivots to the left it is a push shot.

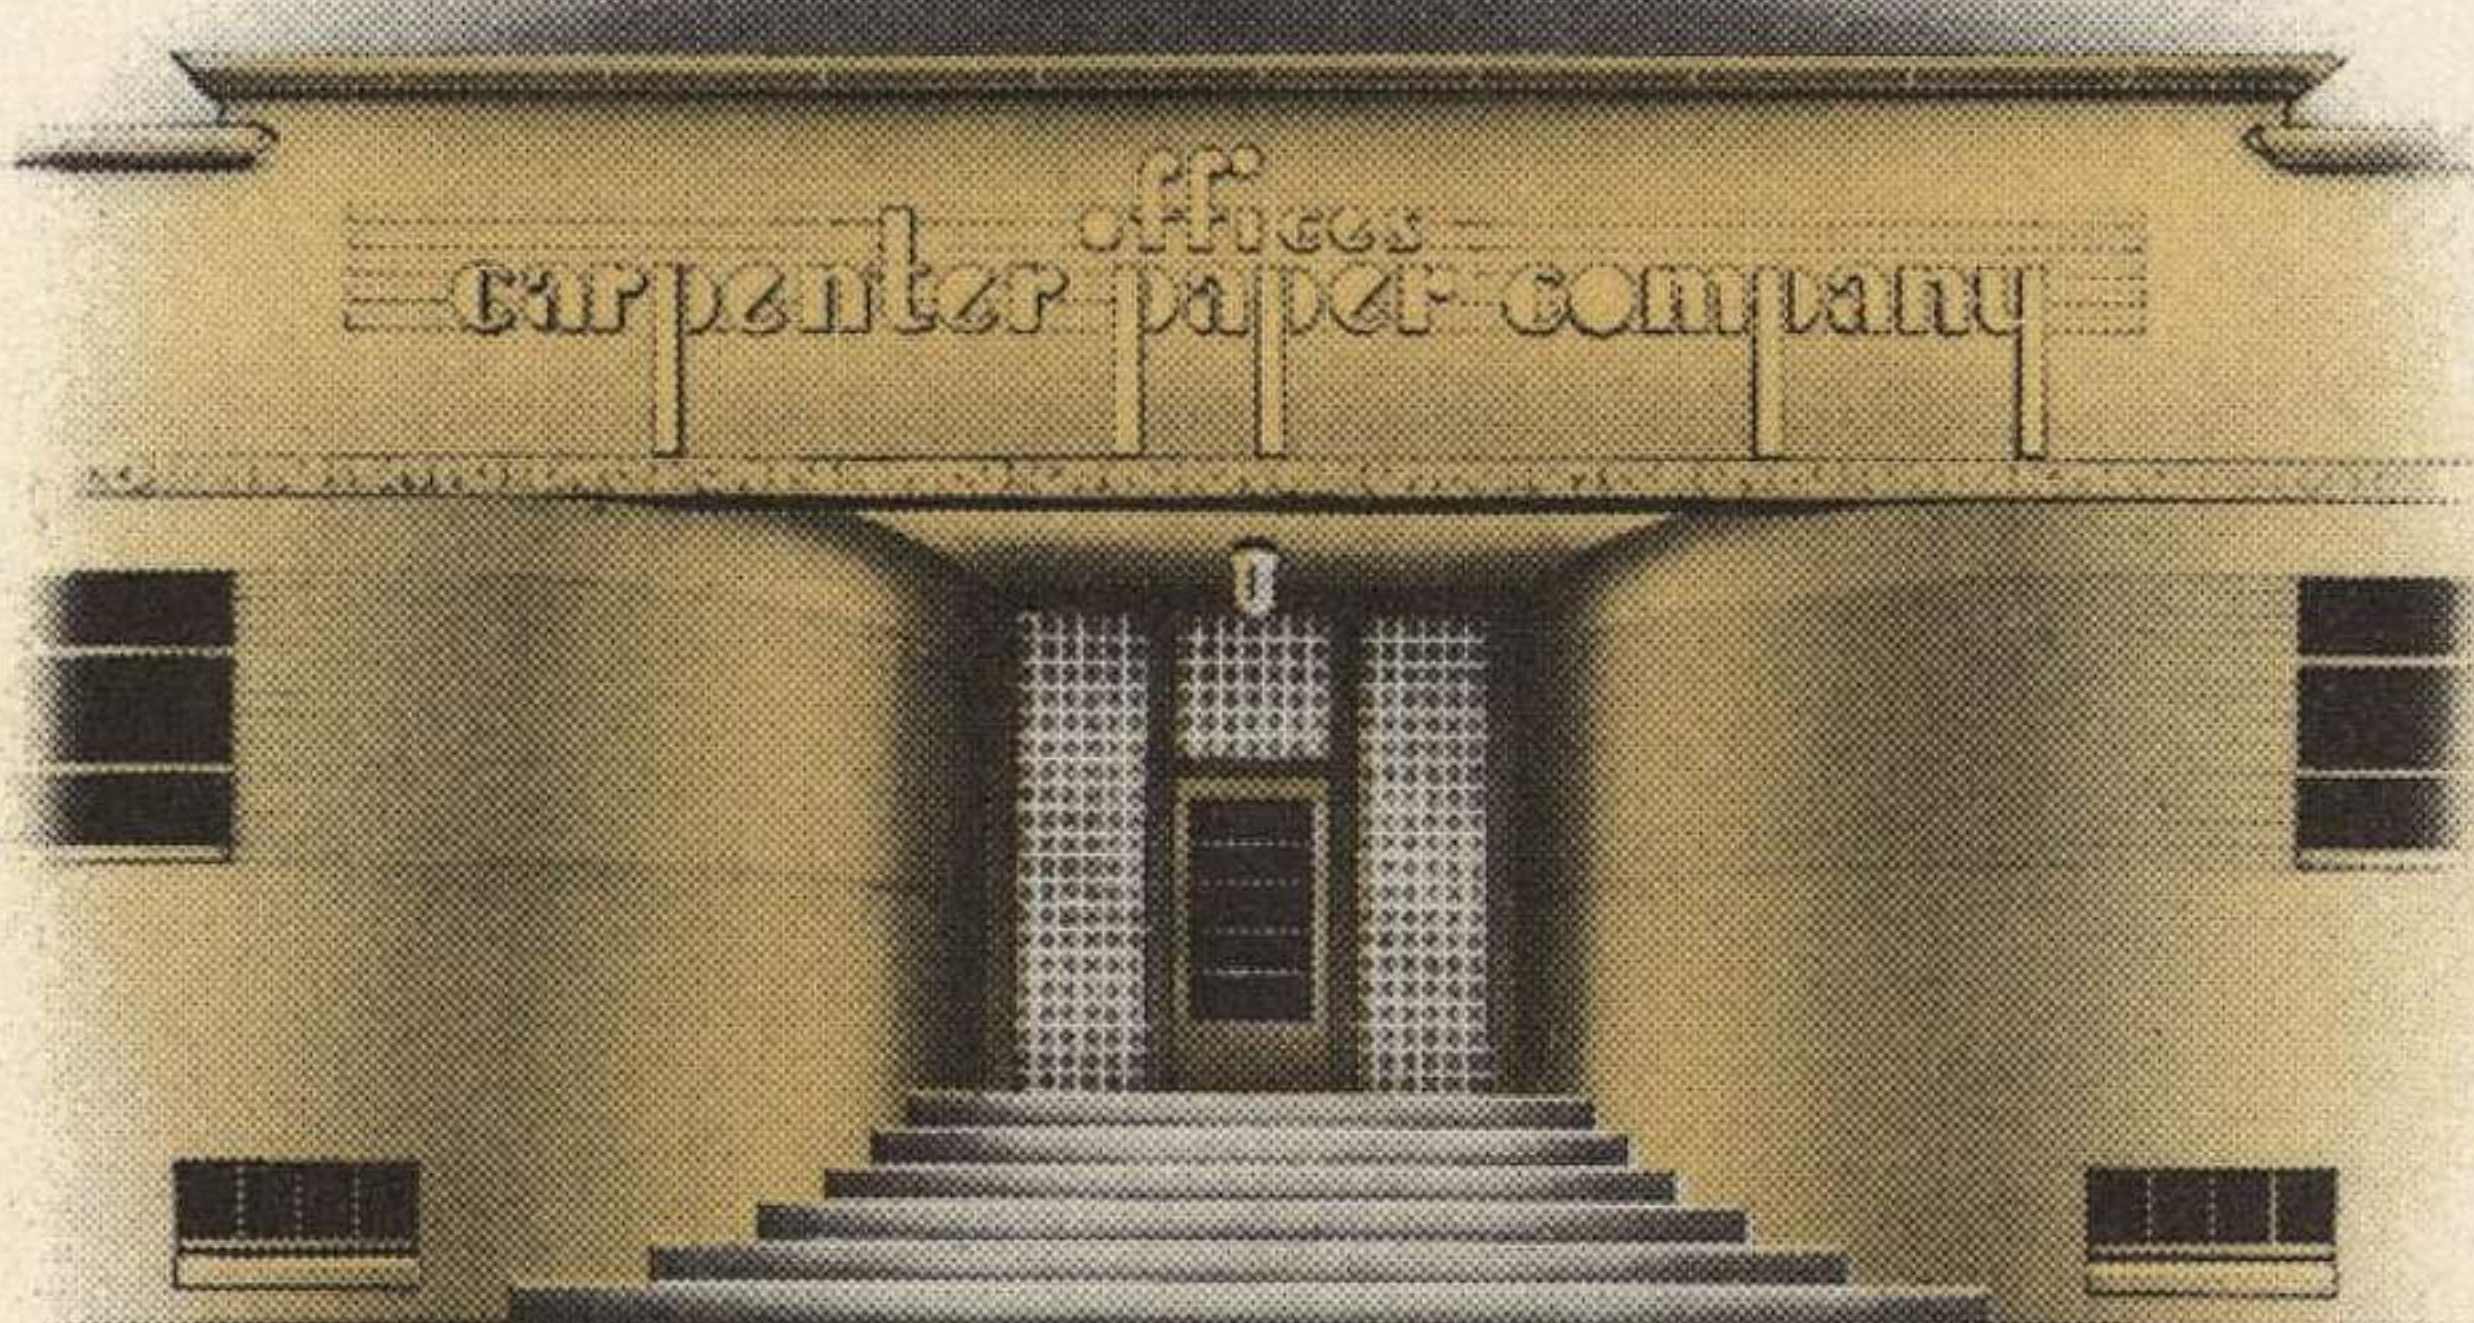

I think I had better arrange for a bus for your trip to Norman. I think your kids would be in a better mental state if they went down together and I don't know whether anybody will volunteer their cars or not. We will get into this after you arrive here though. I do hope you can isolate your kids though and have them ready for the game.

I will be most happy to see you and I want you to extend my own personal regards to your family.

Sincerely yours,

C. B. Burnside

February 21, 1942.

Mr. R. E. Bowles,
Director of Athletics and Physical Education,
William Jewell College,
Liberty, Missouri.

Dear R. E.:

Your letter of February 10th has remained unanswered due to the fact that I have been trying to give you some definite information regarding our summer session physical education program for national defense. We are still uncertain about this, and I am not in a position to tell you more than I would have said should I have answered your letter earlier.

However, I am hoping to give you some information later, but it will have to wait. If and when I get this information I will be very happy to write you. Won't you write and tell me what you are contemplating? How large a summer session do you have at Jewell?

We have always offered all sorts of recreational facilities. In the evening we have the recreational center open with lights on the quadrangle and we have from 175 to 300 persons out each evening for plays and games. In the afternoon we have softball, golf, tennis, swimming, handball, and so forth, but we have never given credit nor has it been required. We think we have a pretty fine program.

I am glad that Miss Wisler is getting along nicely. Please give her my kindest regards.

Sincerely yours,

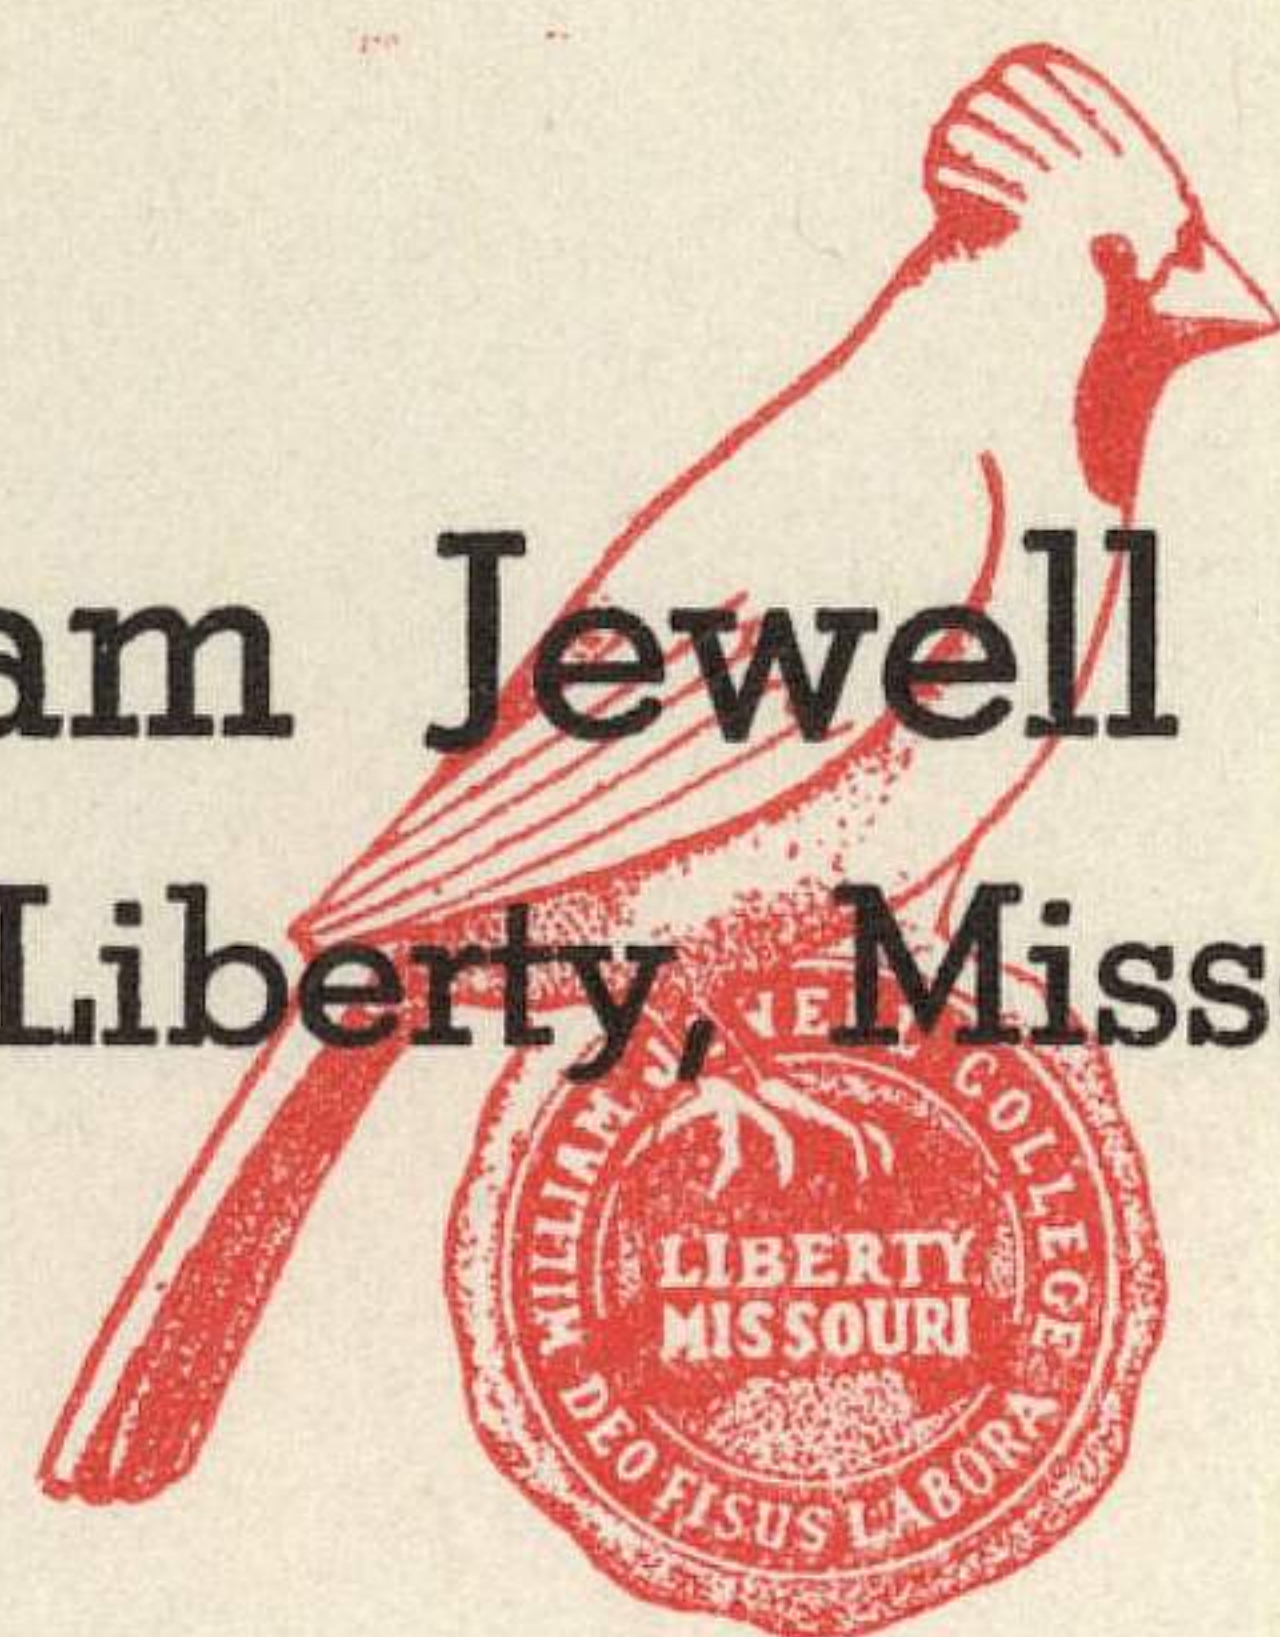

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.

Dear Dr. Allen:-

We have been trying to arrive at a decision here at William Jewell as to some course in practical physical education for our summer school students that would be in line with the wishes of the committee on the physical education program of our National Defense.

Are you offering such a course at K. U. Dr. Allen and if so will you please tell me the nature of the work you are doing.

Miss Wisler is getting along nicely in her girls physical education here.

Congratulations on your fine record in basket ball agin this year.

I will thank you for any information you can give me on the above mentioned program.

With best wishes, I am

Very truly yours,

R. E. Bowles

Mr. Pete J. Bonnell,
1409 Garland Street,
Flint, Michigan.

Dear Mr. Bonnell:

Thank you for your kind letter of the 24th ultimo. I am glad that you have found "My Basketball Bible" and "Better Basketball" helpful to you.

I would suggest that you use "Foot Toughener" on your feet to toughen them. You may obtain this at most any of the sporting goods houses. Or, if you wish, get some compound tincture of benzoin at the drug store and paint it on your feet. Do not paint between the toes oftener than once a week, but if you use it regularly I know that you will find it beneficial.

If there is any way in which I can help you further it will be a pleasure to hear from you.

Very sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.

FCA:AH

1409 Garland Street
Flint, Michigan
January 24, 1942

Dear Sir:

On behalf of myself and of over more than two score boys of my acquaintance I would like to thank you for the wealth of information and inspiration that we obtained through avid reading and study of your books My Basketball Bible and Better Basketball. From them we have learned to play a brand of ball that shows more knowledge of tactics and proves more interesting to us.

Along with these thanks I would like to enlist your aid in solving one of my problems. Last year I was able to practice with the team at school and, except for two weeks or so at the beginning of the season, my feet did not bother me in the least. This year I have not the time to practice with the school team. Instead my playing is done in intramural and independent leagues. These games are rather infrequent and I find that because of this when I play hard, my feet invariably blister.

In your works you have mentioned the use of tannic acid to toughen the feet. My attempts with it have borne no fruit. If possible I would like to learn how it should be made, used, and whether it may be used over several times.

Any information will be deeply appreciated.

Sincerely Yours,

Pete J. Bonnell

February 14, 1942.

Mr. Maurice L. Breidenthal, President,
Security National Bank,
Kansas City, Kansas.

Dear Maurice:

You wrote a bully letter to Al Wellhausen. If this does not bring any result, you have my authority to go right ahead and put it in the hands of the collection agency. Let's make that fellow pay -- and pay, and pay. This is one lug that hasn't paid.

I saw Al at the Great Lakes - Kansas game in Kansas City. He was in Jimmy Nixon's office at the auditorium, and wanted to get two box seats, but as usual he expected to get them for nothing because he played in the Naismith League.

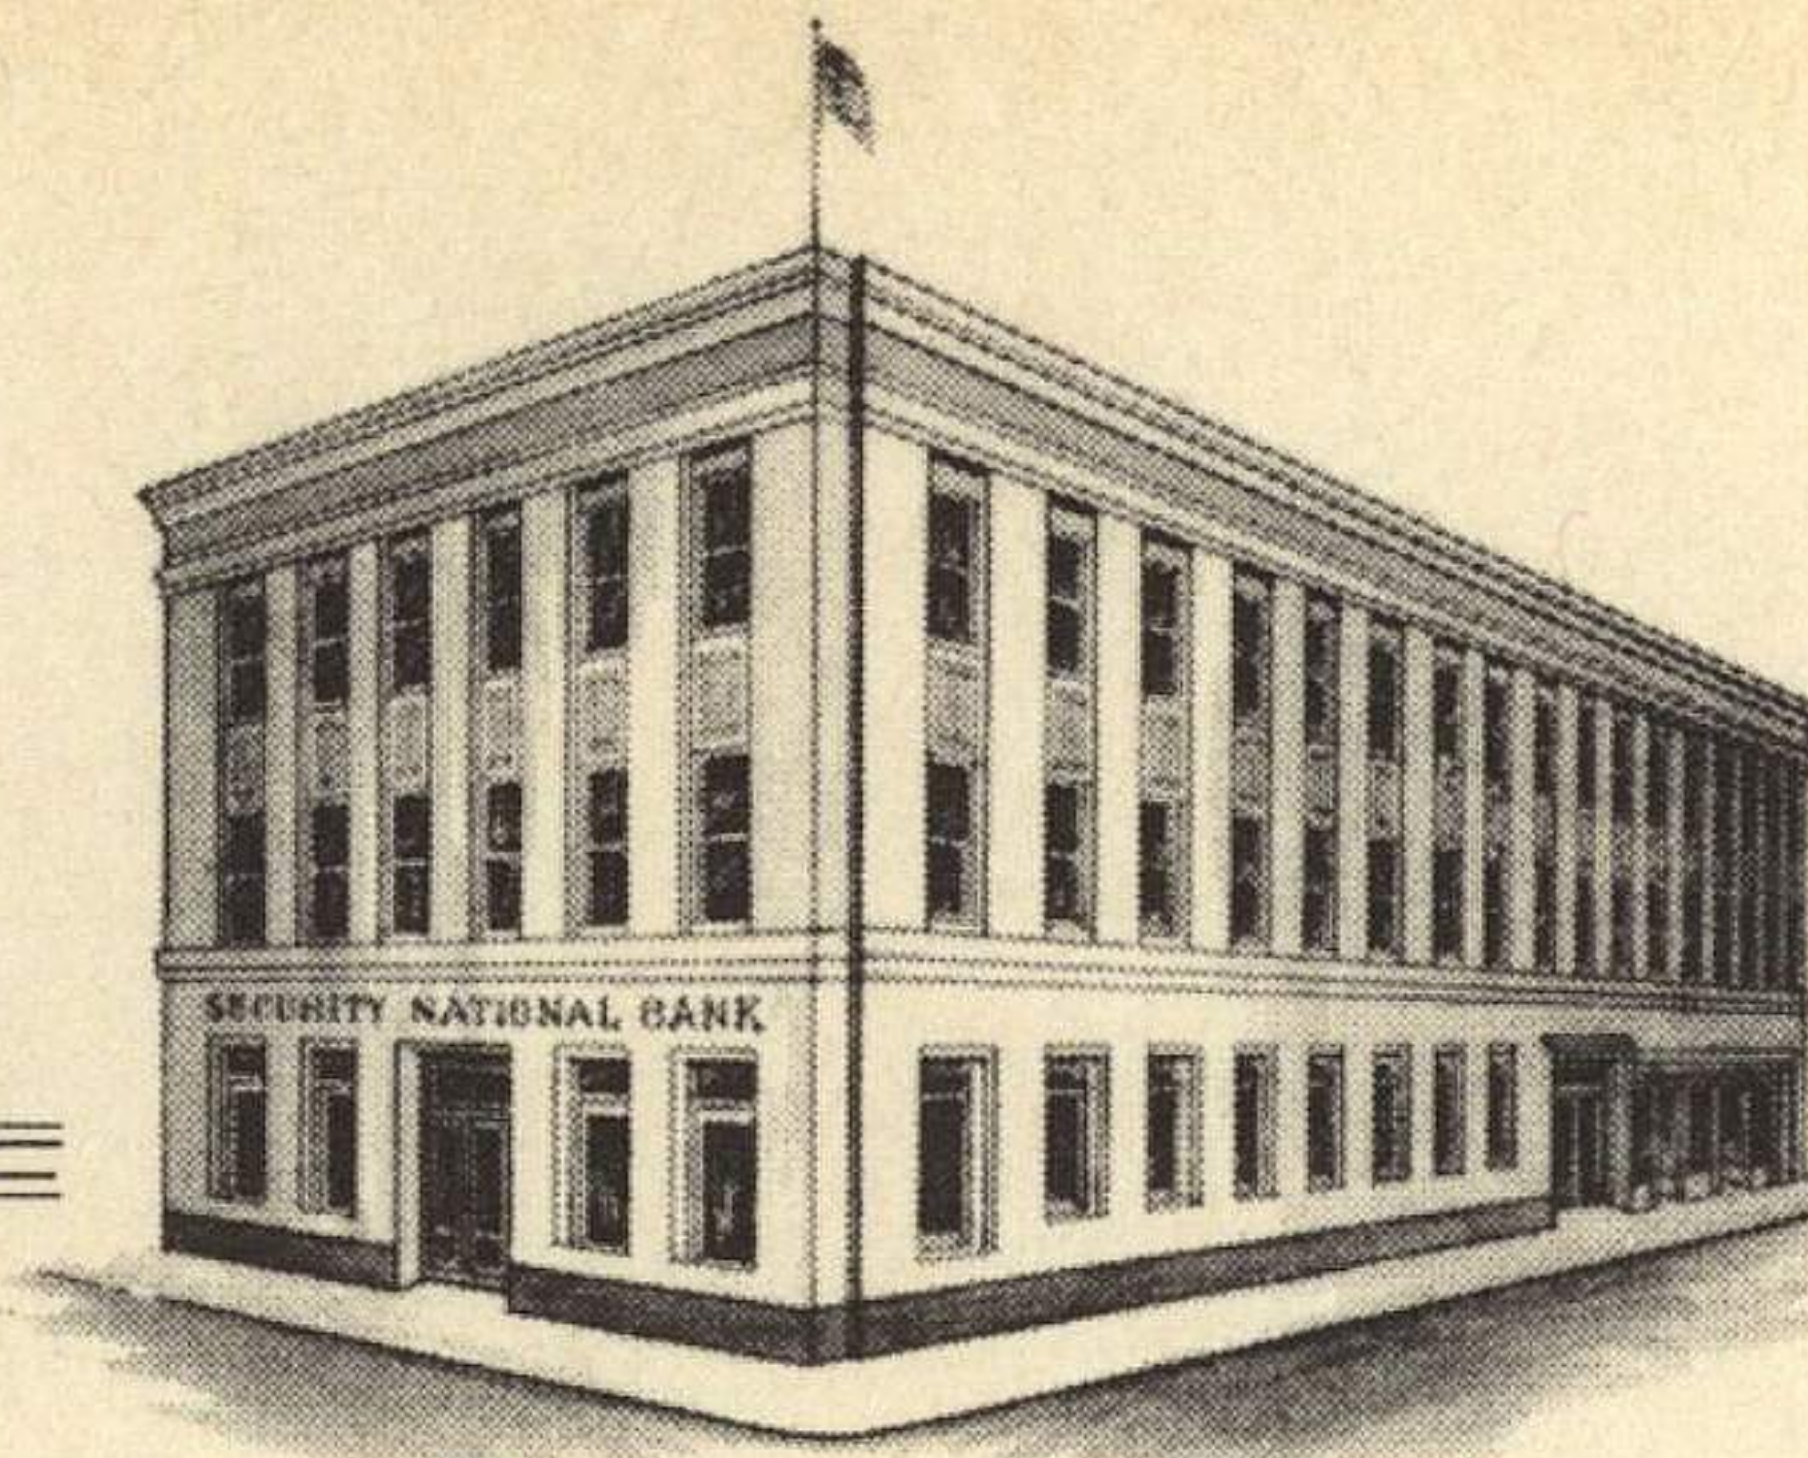

Off the record, I told Jimmy Nixon that "if he isn't a deadbeat I never saw one". Now, here's the laugh - the boys told me later that he and Nixon were pals and frequented the night clubs together. I hope this gets to him, too.

Sincerely yours,

FCA:AH

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.

Dear Phog:

I am enclosing copy of a letter which I have just written to Al Wellhausen. I doubt if this gets any results. If he does not respond it is my suggestion that the note be placed in the hands of a Collection Agency. These people will charge 50% of what they collect but they will hound him to death.

Let me know your wishes in this matter.

Very truly yours

Mr. Al Wellhausen
c/o Muehlebach Brewery
Kansas City, Missouri

Dear Mr. Wellhausen:

We have been waiting long and patiently for you to take care of your note at this bank. The amount of this note is \$119.55 plus interest at the rate of 6% since July 2, 1938.

It has reached a point where patience has ceased to be a virtue. We have seldom had a case where an obligation has been so completely ignored as is true in your case. We cannot postpone action any longer. If you do not give the matter your immediate attention we will be compelled to place the note in the hands of attorneys for collection. This may prove to be embarrassing to you but if so, you will have no one to blame but yourself.

If we do not hear from you we will assume that it is not your purpose to give this obligation your attention.

Very truly yours

Maurice L. Breidenthal

Dear Forrest:

To
Enclosed find clipping that you will probably be interested in. Young Bounds was one of the boys that I was to bring down Friday night, but they ~~had come~~ played at 5:30 Friday, and the coach would not let him attend or the other boys.

Nevertheless, I want to thank you and I turned back two of the tickets.

Sincerely,

William L. Butler

WLB:dm

EAST SET BACK

First Place Battle in Interscholastic League Won by Northeast, 18-17.

A THRILLER FOR THE FANS

Taking Lead in Second Quarter, the Pirates Hold On to Slim Margin at Finish.

A Technical Foul on Omer Hart for Failure to Report Costly to East.

BEARS IN LATE RALLY

Ten Points Are Made by the Losers in the Final Quarter—Paseo Beats Westport.

A flaming finish that netted ten points in the final quarter failed by a point and the East Bears bowed to the Northeast Vikings, 17-18, in yesterday's first place battle in the Interscholastic league basketball race.

In the opening afternoon game at the Auditorium, the Paseo Pirates broke into the victory column for the first time with a 30 to 25 triumph over Westport's Tigers, the defending champions.

Rally by Southwest.

Southwest and Manual kept pace in the nocturnal engagements, the Indians making a great comeback in defeating Central, 38 to 30, and Manual leading all the way in a 35 to 29 decision over Southeast. Victories kept Southwest and Manual in a third-place deadlock, one game back of East.

Southwest, lagging by 4 to 13 at the end of the first quarter, bombarded the goals, particularly in the third period, to sound a definite warning to Northeast's pace-setting Vikings. The Indians clash with Northeast a week from today in the sixth series.

Northeast 18, East 17.

The battle between the undefeated co-leaders of the league was a drama packed with joy and heartbreak for the players, their coaches and the rabid rooters. The East Bears, a cool, methodical aggregation, fought a gallant battle in the final quarter to score ten points, but were stopped by the final gun ten seconds after Joe Baker had swished a 1-hander to bring the score to 17 to 18.

Missed free throws—Paseo 13, Westport 8.

Southwest 38, Central 30.

Connecting on an amazing percentage of their shots, the Blue Eagles opened with a rush against Southwest and after six minutes, Central held a 10 to 2 lead. The margin was 13 to 4 at the end of the first quarter, but the Indians began to move in the second chapter and by half-time their deficit had been reduced to 19-13.

Admitting he was "thoroughly disgusted" with the performance of his team, Coach Mel Bishop of Southwest refused to join in the huddle during the intermission, walking away after he had barked: "When you fellows want to start playing basketball, let me know."

The Indians started playing basketball right away. They cut loose with such ferocity that nineteen points dropped through the hoop in the 8-minute third quarter. Central, ahead early in the third quarter, 20-13, was behind, 20 to 32, when the final period got under way.

Andres, showing a real scoring punch for the first time this season, featured the offensive along with Saizow. Bill Huggins also played an important role, until he was forced to the sidelines with a knee injury two minutes before the third period ended. Bill's left knee popped out of position and it pained him so severely he had to be carried off the court. But minutes later, the knee taped firmly, Huggins was pleading in vain for the chance to get back in the milling.

Bud French, ace of the Central shooters, and Cramer, regular center, did virtually all the scoring for the Eagles, the former hitting sixteen points to Cramer's twelve. But they would have scored even more, with fair success at the free throw line. French missed six of eight tosses; Cramer converted only six of twelve. It was a rough, fast game, but once Southwest's attack began to function the Eagles' rooters saw the handwriting on the wall. Southwest,

losers in the third period when the official scorer discovered Oiler Hart, East guard, had failed to report before taking the floor for the second half. Dick Soper, wiry Viking forward, made good the free throw that developed into an important factor as the game progressed.

Fighting to overcome a huge disadvantage under the baskets because of the superb rebound work of Northeast's fine center, Ken Bounds, the Bears were further handicapped by the lack of basket accuracy. Jimmy Nelson and John Buell went scoreless and Herbie Ramsey's 2-pointer fifteen seconds after the start was his only contribution from the field.

Bounds made only one field goal but his domination of the rebounds was the deciding difference in the game. John Taibi, the league's leading scorer, hit two fielders and a charity shot for five points to tie with Soper. Bill Whaley, East guard, took scoring honors, with ten points.

East Loses Early Lead.

East got off to a 5-0 lead, but early in the second quarter the Vikings moved out in front to stay. Taibi's goal resulting from a fast break with Charles Shields, put Northeast ahead, 7-6. East went scoreless in the second period and trailed, 6-9, at the intermission. The ball continued to avoid the Viking basket in the third canto and Northeast sent Taibi and Soper in for field goals after Soper had cashed his shot resulting from the technical foul. Ramsey's free throw on a foul by Bounds was the only point for East in the third and Northeast moved into the final quarter leading, 14-7.

Then came the dramatic finish. Field goals by Whaley and Hart came quickly and Ken Bass found the range for the Vikings before Whaley banged in another 2-pointer and converted two free throws on two fouls by Soper. That made it 16-15 only until Whaley committed his fourth foul and Soper added a point to the Viking total. O'Neil fouled Soper immediately and the little forward ran the total to 18 with what proved to be the winning toss.

 Half score—East 6, Westport 9.
 Missed free throw—East 6, Northeast 8.

Paseo 30, Westport 25.

Paseo hit its first three shots in the opening minute and it was evident the Pirates were out to win their first league game of the season. Coach Bob Armour's boys connected with six of twelve heaves in the first period and led, 12-6.

The Bucs kept the pace to hold an 19-8 advantage at the half and 26-17 at the end of the third. Westport, the defending champion, made a bid late in the final period, scoring six points to narrow the gap to 23-28 but Darrell Havener connected with two free throws to aid the Paseo cause and Donahue's fielder in the last minute closed the Tiger scoring five points short.

Clint Webber, Tiger forward, led the scorers with ten points, two more than Paseo's leader, Jimmy Gregath, tallied. Westport became somewhat panicky early in the game as Paseo's shots found the mark with regularity and many long Tiger shots failed to reach the backboard. The game was hard fought and tempers flared sev-

with this performance and the Indian followers now have great hopes for an upset of unbeaten Northeast next week end.

Officials—Smith and Fields.
 Half score—Central, 19 to 13.

Manual 35, Southeast 29.

Behind an 11-point scoring performance by Dethlefsen, the Crimson cagers rolled to a 24 to 10 half-time lead over the Knights, who struggled desperately through the final half to overcome the foe and might have, at that, if it hadn't been for an oversight by the official scorers.

Calfas, Manual center who represents one of the vital cogs in the Crimson machine, actually committed his fourth foul five seconds before the third quarter ended, but the official scorers (one of them "working" his first game) missed one along the way and so the winners still had their best combination on the court when the Knights made their greatest bid.

Three Southeast players went out for excessive fouling and DeLuna of Manual was ejected, too, but the latter didn't leave until only five seconds remained and Manual's triumph was assured.

Without Calfas through the final quarter, the story might have been different for the Knights moved within three points of a tie, with about three minutes remaining. At this stage, the winners began stalling tactics and in these maneuvers the experienced Calfas proved valuable. Dethlefsen with sixteen points, was the game's top scorer.
