Dear Mr. Allen:

I have certainly enjoyed the Jawhawk Standard & it is good to know what the old boys are doing. I read it would be worth then pass it on to any fellow Jawhawkers that I see.

I saw Hope Engleman a couple of weeks ago & we had a good ~~talk~~ get together. Our main topic of conversation was basket ball team of 1941 & of course that Allen. He is communications officer on a destroyer escort.

Mr. & Mrs. Lucy Hayes were in San Francisco three days to see young Lucy & so spent three evenings with them. Mr. Hayes has been sick & the fine weather is agreeing with him.
