

SCOTT FIELD ILLINOIS

fighter toward me. This too bothered
me many nights while resting in bed.
As you know, that's where a fellow
does a lot of his thinking and this
has come in my ^{mind} time after time.

Maybe I'm silly, but as I say
again if you really know me you
could probably see why it's a soft
spot to me.

I hope I haven't said anything
distasteful, but I just had to write
you. I think you're the grandest
guy in the world, and that's why
this letter is hard to write. And too,
you were just like a father to me
