Dear Dr Allen!

Let me thank you for
the Rebours - I enjoyed it so much
that I hope I may be favored again.
So many of those boys I know so well
that I enjoyed it more than I can tell you.

Ohay - you are quite a Guy - that
you find time to do are these things
I don't know - Poor me I can hardly
write a short letter - I use cords &

Yes to hear your machinery
giving better service each day -
If you live long enough you will
finally get accustomed to them -

We are having a very quiet but
restful time - - The lack of gasoline
keeps us right here on the hill
but we are comfortable and happy -

It is pretty hot here during the day
but at night it is wonderful

With my kindest regards

As ever
G. A. Esterly
