Mr. Howard Engleman,
Phillips Petroleum Company,
Bartlesville, Oklahoma.

Dear "Hart":

You are a swell guy! I took your communication addressed to the Kansas Jayhawkers and tacked it on the bulletin board downstairs. Your emphatic and laconic message, "Give 'em hell", must have done the trick.

Boy, you always were profane, but your profanity exceeded all bounds when you told old Leslie to go in and steal a pair of shoes from that d_____ supply room!

Good luck to you, fellow.

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
