Mr. C. H. Eckel,
Superintendent of Schools,
Wayside, Kansas.

Dear Mr. Eckel:

A couple of months ago when you were in my office making arrangements for taking the correspondence course in Basketball, I autographed a copy of my book, "Better Basketball", and charged it to your account. The price of the book is \$4.00, and if you are in position to remit at this time I shall greatly appreciate it.

Very sincerely yours,

FCA:AH

Director of Physical Education,
Varsity Basketball Coach.
