Dear Chuck:

I thought you might like to see the enclosed letter we are sending to some of our boys in the service. We hope to make this a monthly letter, giving the boys a little news about the activities of each other.

By the way, Chuck, I wonder how you got along collecting those diaries of the boys on the Eastern trip. I am still hoping to publish those and distribute them next Christmas. Let me hear from you at your convenience.

With best wishes, I am

Cordially yours,
