Dear Phog:

Since receiving your letter of July 31, I have been working along with Mr. Adams in connection with trying to find some place for Chester Gibbons. His letter to you of this date will report on the latest developments.

It is only a short time now until the college sports will capture the public interest, and I am already beginning to look ahead to the K. U. football and basketball seasons.

With best regards to you and your family, I remain

Sincerely yours,

PE.FG
