EF

Mr. Ray Ebling
Phillips Petroleum Company
4705 Central
Kansas City, Missouri

Dear Ray:

This will acknowledge receipt of your kind favor of the 13th instant, asking for four tickets for the Oklahoma-Kansas Basketball Game on March 7.

Doubtless you have read in the paper that the day before the Nebraska Game the tickets were sold out for the Oklahoma Game. However, I am referring your request to Mr. Earl Falkenstien, who is magician at finding someone who cannot attend the game. I will bet you two to one that he will not disappoint you, but I do not understand how he does it.

Thank you very much for your words of congratulation. I feel as if I am in a trance when I look at our standing in the Conference. I do not know how the boys do it, but they just refuse to stay down. The opponents step on them, flatten them out, but by some peculiar method they rejuvenate to the point that they stagger through to victory. However, if we never win another game, I will be convinced that they have done more than I ever expected them to do.

With all good wishes and assuring you that Earl somehow will take care of you and that you are in good hands, I am,

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball Coach

cc: Earl Falkenstien

February 22, 1941

Mr. Dix Edwards
Edwards, Ludwig & Fuller
1115 Walnut Street
Kansas City, Missouri

Dear Dix:

The following wire was received by us and the Kansas basketball squad in Columbia, Missouri:

"All Psi's at Founders Banquet are behind you and team.
Best luck." - Kansas Alpha

The wire arrived at exactly the right time for the boys to get the full benefit of the loyal Phi Psi's best wishes. It was greatly appreciated, and I assure you it definitely did a lot of good.

At your noon luncheons, will you kindly convey to the brothers our deep appreciation and accept part of this thanks for yourself.

Such things as this wire indicate to us your fealty to a group of young battling boys who begrudgingly gave up points to the opposition. They are one of the "fightingness" bunch of boys that it has been my pleasure to work with.

Fraternally yours,

Director of Physical Education and Recreation
Varsity Basketball Coach

Dr. Forrest C. Allen,
Director Physical Education
University of Kansas
Lawrence, Kansas

Dear Phog:

The message of your letter of February 22 will be delivered to the Phi Psi's at their noon luncheon next Thursday.

I delayed answering your letter because I intended to report that it had been done; then I could not make the luncheon last Thursday.

The further delay was my bright idea that by waiting until after the Monday night game in Ames I could combine the acknowledgment with my congratulations on the winning of another Big Six Championship. Unfortunately Louie Menze's boys had other ideas, so the best that I can do today is to congratulate you on the certainty that Kansas will this year do no worse than tie for the Championship, and I am confident that the boys will take Oklahoma Friday night to win the title and to preserve that phenomenal record of consecutive victories on their home court.

Please extend to the team my congratulations on their successes to date and my very best wishes for good luck Friday night.

Faternally yours,

RDE:FW

*Ball rec'd.
3/12/41*

Mr. Forrest C. Allen,
University of Kansas,
Lawrence, Kansas.

Dear Phog:

On January 24th, you gave Taft Talbot a Riddell Basketball which was stamped "Federation Approved."

This was a brand new Riddell Ball, and we sent it in to the factory and asked them to change it for one that was not so stamped.

Now, Phog, that seems like ancient history but after writing them about fifteen letters we finally, today, received the ball in exchange for the one which you returned.

We have sent you that Basketball by parcel post today, and of course as it was already charged to Kansas sometime ago, this is simply in exchange.

I thought I had better write you about the matter because I know you have been wondering why you did not get a more prompt exchange.

With best wishes, remain.

Yours very truly,
R. S. ELLIOTT ARMS CO.

MONTHLY STATEMENT MAILED ONLY ON REQUEST

March 25, 1941

Coach Ashley Elbl
Wyandotte High School
Kansas City, Kansas

Dear Coach Elbl:

May I sincerely congratulate you on doing a super-human job. Of course, I also want to congratulate the boys. But the fact that you took a group of boys without Evans, Brill, Hedrick, Bortka and Nunne, and molded a championship team--whipped a bunch that was plenty good--stamps you as a real generalissimo.

Please convey my kindest regards to Superintendent Schlegel, Principal Wellenmeyer, the basketball team, and the whole Kansas City, Kansas Wyandotte High School.

It was a great accomplishment and you have every reason to feel justly proud.

Sincerely yours,

Director of Physical Education and Recreation
Varsity Basketball and Baseball Coach

Dear Mr. Elliott:

Your letter of April 7 regarding Eddie Roush Bats has been received. Dr. Allen is out of town at the present time on speaking engagements and does not expect to return to the office until Saturday.

However, our Easter vacation is on now and will last until Tuesday, April 15; therefore, we can wait until Mr. Talbot returns.

I might state that in the meantime we have been able to secure some Eddie Roush Bats with large handles.

Sincerely yours,

Secretary to Dr. Forrest C. Allen

SPORTING GOODS EXCLUSIVELY

1508-10 GRAND AVENUE

PHONE GRAND 1910

KANSAS CITY, Mo. April 7, 1941

Dr. Forrest C. Allen,
University of Kansas,
Lawrence, Kansas.

Dear Phog:

I am taking the liberty of answering your letter of April 3rd, addressed to Taft Talbot because Taft is in Oklahoma, and probably will not be back until the latter part of this week.

You state you want some Eddie Roush Bats for your Varsity Baseball Squad, and you also state that you prefer bats with big handles.

I find on going over the various autographed models in Louisville Slugger Bats, that Eddie Roush Bats run approximately $3\frac{3}{4}$ " circumference of the handle at the smallest portion, while most other player's models run only about $3\frac{1}{2}$ " on the average in diameter.

Therefore I imagine that if you get the regular Eddie Roush Model which we carry, the size of the handle will be satisfactory.

Evidently you have some 34" bats that you do not like the length of and it is our understanding that you would like to have some longer ones than 34" in exchange for the 34" ones that you have.

At any rate, Phog, we want to give you service on this but if you cannot wait until Taft Talbot gets back at the end of the week, will you kindly let me know just what it is that you do want.

With best personal wishes, remain.

Yours very sincerely,
R. S. ELLIOTT ARMS CO.

April 16, 1941.

E-124-41

Mr. Forrest C. Allen,
Director of Physical Education,
University of Kansas,
Lawrence, Kansas.

Dear Doc:

Received your letter regarding Donaldean Maison of Lyons, Kansas, who was one of the thirty candidates for a scholarship from the Trust Fund, established by Frank Phillips Foundation, Inc.

It happens that I am Secretary of the Committee which administers the scholarships paid from this Fund; however, the restrictions in the Fund are rather definite and the Committee has little flexibility after it has sifted out from the large number of applicants the ten girls and twenty boys who take the nation-wide College Entrance Examination Board test.

We have just received from New York the results of these tests and although the Committee has not yet considered them and issued the final awards, it appears that Maison's scores in this test were too low to place him among the six boys who will receive scholarships. This, of course, is confidential information and should not be passed on to Maison until after the public announcement is made. I am inclosing a booklet of regulations on the scholarship fund in case you are interested in reviewing same.

From information I obtain here, I take it that all satisfactory arrangements have been consummated with respect to Howard Engleman.

Sincerely yours,

PE.RB

RULES and REGULATIONS

**Governing Award of Scholarships
for the Year 1941**

EDUCATIONAL FUND

**For Children of
Phillips Petroleum Company
Employees**

**Created by
THE FRANK PHILLIPS FOUNDATION
Inc.**

RULES and REGULATIONS

Governing Award of Scholarships

1. The primary purpose of the scholarships is to award financial assistance to children of employees of Phillips Petroleum Company and subsidiaries who cannot, without such aid, meet the expenses of a college education. Each student awarded a scholarship will receive, as a gift, Four Hundred Dollars (\$400.00) annually during each of not to exceed four (4) years of college attendance at an accredited institution of higher learning.

2. Applications for scholarships must be made on or before the dead line date for receiving applications, as announced annually, on blanks which may be secured from the Secretary of The Committee on Educational Fund for Children of Phillips Petroleum Company Employees, Phillips Building, Bartlesville, Oklahoma. The Committee will not consider applications received after the date specified, nor will it consider applications which do not include all material requested by The Committee in connection therewith.

3. Application for a scholarship may be submitted by any student qualified or who will be qualified at the end of the current school year for admission to any accredited college or university, who is the natural or adopted child, or stepchild, of a person who is, at the date of such application, an active employee of Phillips Petroleum Company or one of its subsidiaries, and has been on the direct payroll of Phillips Petroleum Company and/or some one or more of its subsidiaries as a permanent, full-time employee or bulk agent for not less than two (2) years of recognized continuous service, and whose salary does not exceed Three Hundred Dollars (\$300.00) per month. Natural or adopted children and stepchildren of persons whose salaries exceed Three Hundred Dollars (\$300.00) per month at the time awards are made, are not eligible for scholarship awards. No student who has ever attended for longer than four weeks any college, university, or other school in which college credit is given,

shall be eligible for a scholarship award; provided, however, that students awarded scholarships under these Rules and Regulations may apply for extension of the award from year to year for three (3) additional years.

4. From the applications received each year, The Committee will select twenty (20) boys and ten (10) girls, giving consideration to past scholastic records, future promise and financial need. The candidates so selected will be required to take the College Entrance Examination Board Test for Scholastic Aptitude. (Colleges and universities throughout the nation rely on this test for the rating of candidates for admission and for the awarding of freshman scholarships.) This test will be held at designated places throughout the United States for all candidates at the same time, the date to be announced annually. Fees required by each candidate taking the test will be paid from the Fund, but other expense of attending and taking the test will be borne by the candidates. Candidates, after having been notified of their selection by The Committee, will be required to fill out formal applications for examination and transmit same to The Committee for filing with the College Entrance Examination Board. Blanks for this purpose may be secured from the Secretary of The Committee on Educational Fund for Children of Phillips Petroleum Company Employees. This standard form of application will be used by all candidates. In order to avoid disappointment or misunderstanding, candidates are advised to consult their prospective colleges to insure that they are otherwise eligible for college entrance, before registering for these tests.

If any one or more candidates from among the ten girls and twenty boys eligible for the Scholastic Aptitude Test may be prevented from taking said test on the date scheduled, due to reasons which, in the unanimous judgment of The Committee, were unavoidable and extraordinary, such candidate or candidates may be granted the opportunity to take a later Scholastic Aptitude Test, provided that The Committee, after weighing all other qualifications, deem such deferment proper. In this case, The Committee may withhold the public announcement of a sufficient number of scholarships, respectively for girls and for boys,

to permit said deferred candidate or candidates to receive a scholarship or scholarships in event the deferred Scholastic Aptitude Test rates him or them above the existing lowest ranking potential awardee or awardees.

5. From among the six (6) girls receiving the highest rankings in the Scholastic Aptitude Tests, awards of scholarships shall be made to the two (2) highest ranking girls, based solely on their Test scores; the remaining one (1) award shall be granted to that girl, from among the remaining four (4), who is most entitled to the award on the basis of Test rankings and other factors, as determined by The Committee; and, the three (3) remaining girls not receiving awards as above shall be declared alternates in the order of their Test rankings.

From among the twelve (12) boys receiving the highest rankings in the Scholastic Aptitude Tests, awards of scholarships shall be made to the four (4) highest ranking boys, based solely on their Test scores; the remaining two (2) awards shall be granted to the boys, from among the remaining eight (8), who are most entitled to the awards on the basis of Test rankings and other factors, as determined by The Committee; and, the six (6) remaining boys not receiving awards as above shall be declared alternates in the order of their Test rankings.

If one or more of those to whom scholarships shall have been awarded does not accept the award, the alternate, in order of rank, shall succeed to the vacant scholarship or scholarships; provided, that only boy alternates shall succeed to scholarships awarded to boys and only girl alternates shall succeed to scholarships awarded to girls. The Committee may revoke any scholarship award, at any time, if it shall appear that the holder of such scholarship is ineligible under any of the provisions of these Rules and Regulations. The Committee may, in its discretion, confer revoked or forfeited scholarships upon the designated alternates.

6. Scholarship awards will be for one year, but may be extended annually until the holder has completed requirements for a Bachelor's Degree, to those holders who maintain high personal and

scholastic standards; provided, that scholarship awards may not be extended for more than three additional years. In order to receive awards for second, third, or fourth years, the personal and scholastic standing of a student must be satisfactory to The Committee. The Committee shall have the right to withhold scholarship funds from any student whose conduct or whose work at college or university shall be unsatisfactory.

7. Holders of scholarship awards called into active military service shall not forfeit their scholarships by reason of such service. Awards to such holders, or any extension thereof, may be suspended from year to year at the discretion of The Committee until such time as such active military service shall have been completed. Except as to holders called into active military service, awards shall be for consecutive years only, except that The Committee may, in its discretion, and upon request of any holder of an award, suspend such award or any extension thereof, for a period not to exceed one (1) year.

8. The authorities of the college attended by any student who shall have received a scholarship award will be asked by The Committee for at least two reports each year. More frequent reports may be asked for, if deemed necessary or desirable. The Committee shall not be limited to information obtained from such reports, but may make such independent investigations as it may see fit. Each holder of a scholarship will be required to maintain passing grades in all subjects each year, except that failure in not more than one-third of the total semester hours completed in any one semester shall not forfeit the scholarship if the work is made up the following year. Failure in more than one-third of the total semester hours completed in any one semester will forfeit the scholarship, except that The Committee may make exceptions to this rule, if absence from classes on account of illness, certified to by a physician, or for other exceptional reasons, shall have been the cause of such failure. The holder of a scholarship must take enough semester hours each year to receive the Bachelor's Degree in not more than four years.

9. The right of the holder of a scholarship to continue to receive funds shall not be affected by

reason of the fact that the parent of such holder shall have ceased to be an employee of Phillips Petroleum Company or any of its subsidiaries on account of the death or retirement of such parent. The Committee, in its discretion, shall determine whether or not any holder of a scholarship shall continue to receive payments after the parent of such holder shall have ceased to be an employee of Phillips Petroleum Company or any of its subsidiaries for any reason other than death or retirement. In any event, payments will continue until the end of the current school year.

10. Parents shall be liable for conduct and obligations of the holder of a scholarship. The Educational Fund for Children of Phillips Petroleum Company Employees or The Committee shall not be liable for debts or the conduct of students, and students shall have no right to anticipate, assign, or transfer any rights acquired by reason of having been awarded a scholarship. Expulsion shall forfeit the scholarship. Conduct which, in the judgment of The Committee, is unbecoming the holder of a scholarship, will forfeit the scholarship.

11. The scholarship shall be applied to tuition, necessary books, and equipment and then toward maintenance. If any of the scholarship award shall then remain, the student may have the balance for incidentals. The time and manner of payment of each \$400.00 annual award shall be determined by The Committee and payment may be made, in the discretion of The Committee, to the school or to the parent of the holder of the scholarship, or to the student himself.

INSTRUCTIONS AND SCHEDULE FOR 1941 AWARDS

FEBRUARY 10, 1941. This is the dead line for receiving applications from students who desire to enter college in the Fall of 1941. Inasmuch as there are forms to be completed by the applicant, the parent and the principal of the high school, thus requiring quite some time, requests for forms should be made at once. These forms may be obtained by writing to the Secretary of The Committee on Educational Fund for Children of Phillips Petroleum Company Employees, Phillips Building, Bartlesville, Oklahoma. The applicant must fill in the standard application form exactly as designated thereon and return it as much earlier than February 10 as is possible, but not later than February 10. Otherwise, his application cannot be considered.

MARCH 1, 1941. On or before this date The Committee will announce the twenty boy applicants and ten girl applicants who have been selected to take the Scholastic Aptitude Tests. The accepted candidates will receive notification by registered mail. Enclosed will be a blank form on which the applicant may apply for taking the Scholastic Aptitude Test, also complete information regarding this test. No preparation for Aptitude Test is required.

MARCH 5, 1941. The above winning candidates must have in the hands of The Committee at Bartlesville all filled in application forms for the Scholastic Aptitude Test so that The Committee can file them with the College Entrance Examination Board in New York City before March 8.

APRIL 5, 1941. The above thirty candidates will report at the respective Scholastic Aptitude Test centers not later than 8:45 A.M. Each applicant should have for presentation to the supervisor an identification card signed by the principal of his or her high school, a ticket of admission to the Test, and a practice answer sheet filled out as

directed. This material will be sent to the candidates by the College Entrance Examination Board upon receipt of their applications and fees. The \$5.00 fee required for the Test will be paid from The Educational Fund.

MAY, 1941. It is expected that some time during the month of May the ratings assigned by the College Entrance Examination Board will be reported to The Committee and the winners of the awards will be announced.

- - - - -

The contents of this booklet supersede all previous publications and information relating to the Educational Fund for Children of Phillips Petroleum Company Employees. Award of scholarships from The Fund will be governed by the Rules and Regulations set out in this booklet, which will prevail until revised by The Committee.

DETROIT, MICHIGAN

May 2, 1941

Dr. Forrest C. Allen
Basketball Coach
University of Kansas
Lawrence, Kansas

Dear "Phog":

We are planning to play basketball double-headers here in Detroit next year together with the University of Detroit. This is not under any outside promotion, but just between our two schools.

We have already secured the following teams for the program: Harvard, Cornell, Michigan State, and Nebraska. Could you play Wayne on any one of the following dates: December 22, January 17, 31, or February 10? We can offer \$500.00 plus 10% of the net receipts. This amount is limited by the fact that we must rent the Olympia, and because this is the first year we have tried double-headers.

Please let me know soon if you are interested, for we have offered the dates to others, but would like to have Kansas University.

Sincerely,

Newman H. Ertell
Basketball Coach

NHE:W
