Mr. Forrest C. Allen,  
University of Kansas,  
Lawrence, Kansas.

Dear Phog:

On January 24th, you gave Taft Talbot a Riddell Basketball which was stamped "Federation Approved."

This was a brand new Riddell Ball, and we sent it in to the factory and asked them to change it for one that was not so stamped.

Now, Phog, that seems like ancient history but after writing them about fifteen letters we finally, today, received the ball in exchange for the one which you returned.

We have sent you that Basketball by parcel post today, and of course as it was already charged to Kansas sometime ago, this is simply in exchange.

I thought I had better write you about the matter because I know you have been wondering why you did not get a more prompt exchange.

With best wishes, remain.

Yours very truly,  
R. S. ELLIOTT ARMS CO.
