

November 8, 1937.

Mr. Frank Bangs,
Salina, Kansas.

Dear Frank:

I was happy to have had a little visit with you yesterday afternoon, but sorry that my guests did not arrive in time to see the full picture.

I am sending you a carbon copy of my letter to Chuck Taylor. I thought perhaps that you and he would get together, and if either you or he would be coming through Lawrence some time I would appreciate it if you would include in your itinerary a stop-over here just long enough to show our freshmen and varsity the picture. We could have the frosh and varsity meet at the same time so that it would be possible to delay you and Chuck the least possible.

I would not want you to make a special trip, but any afternoon or evening would be fine and dandy.

With every good wish, I am

Sincerely yours,
