SHIPPER'S CHECK

Phog - they have a pipe they use for picking up balls that has a spring in bottom that will allow a ball to pass but not fall out again - to empty in bag carried on shoulder just turn tube upside down an let roll out.

Wish you could come down and have a game sometime. Please let me know when and will have everything arranged. Know you will have success with the driving tee.

Just found some wood clubs for golf that we can get for you for 2.75 new.
