Dear "Doc:"

This is rather late to be asking a favor, but I thought I'd get the best results by writing you.

Phillips was scheduled to play in the city tournament March 5, 6, & 7, so I hadn't planned to see the Kansas-Missouri game. However, since the tournament has been called off, I'd like to go. Therefore, Doctor, if it isn't too much trouble, I'd appreciate it very much if you would get me two tickets to the game. Unless I hear from you Doc, I will plan to get the tickets at the box office and will settle for them then.

I could say "I'm sorry you didn't win down South," but after three years of your tutoring, I know that the defeats are long forgotten. The two big hurdles ahead occupy your whole attention. Here's wishing you luck in the next two contests and not only a Big Six championship, but a chance for N. C. A. A. recognition.

Thank you again, Doc.
As ever
One of your boys,
Don
