Mrs. E. W. Emery
No. 9 Blair Building
Atchison, Kansas

Dear Mrs. Emery,

I beg to apologize for my negligence in answering your post card of August 12. I expect in the very near future to send you the outline requested.

I have found myself overwhelmed with administrative duties in connection with the opening of school and in addition I have had a great many other details to attend to.

I trust my delay will not greatly inconvenience you and I assure you that the outline will be forthcoming very soon.

Very sincerely yours,

FCA/PG
