Mr. Paul Endacott,
Assistant to the President,
Phillips Petroleum Company,
Bartlesville, Oklahoma.

Dear Paul:

Your very thoughtful and gracious letter arrived in fine time to serve two purposes. The first, to be a source of satisfaction to us in your remembering us at this time, and the second, to be a medium that would stimulate the boys to greater endeavor.

Your prowess on the athletic field and in the world of business has made a deep impression upon our basketball boys because each year I never fail to tell them upon a great number of occasions what a man you were here on the campus. They know what you have done since finishing school, but I reiterate that, also.

It was nice of you, Paul, and I assure you that Kansas will play inspired ball tonight.

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
