

April 12, 1940.

Mr. George R. Esterly, Dean,  
School of Business Administration,  
University of Newark,  
Newark, New Jersey.

Dear George:

It was swell of you to write me as you did in your letter of April 8th. I want you to know how very much I do appreciate these messages from you - they always hit the spot.

I know of no two people in Lawrence, Kansas, that I think more of than your good dad and mother. They have always been so loyal through all the vicissitudes and the joys of our living here. I know of no couple whom the Allen family agree upon so completely as being "tops".

Of course, we were very proud of Bob, because he is a better student than he is an athlete. I am passing on your good letter to our family. We all wish to be remembered to your good wife. If the George R. Esterlys ever come to Lawrence again we want you both in our home. It seems as if we are always so rushed, or you are, that we hardly get a chance to visit, but I have not forgotten the wonderful hospitality that you showed me when I was back east, and while I could not ever beat it I would like to try some time to tie it.

Fraternally yours,

Director of Physical Education and Recreation,  
Varsity Basketball Coach.
