Dear Doc:

Thanks very much for your letter of May 24 indicating that you had run across the brief mention I made of you in the Graduate Magazine.

I am sure you will agree it was a very modest recognition of your extraordinary contribution to the successful season.

Regarding your previous letter in reference to the alumni representative on the Athletic Board, I have passed my comments on to the proper parties but as you can well understand the matter already had been delegated for consideration by others.

With very best regards to all, I remain

Sincerely yours,

PE.RB
