Mr. W. H. Harrison
Downs, Kansas

Dear Bill:

I appreciate ever so much your alert help on Max Kissell. Although I see that you have written to Phog, I am going to send him this letter of yours because you may say something in here that you have left out in your letter to him. Max' sister, Helen, was graduated here in 1934. She ought to help us. She is now married and is Mrs. V. E. Deeter, 1409 Eden Court, Topeka.

If I think of any duties for you to perform in this or any other line, you may be sure you will hear from me.

Cordially,

Secretary
