Mr. Forrest Allen,
Director of Physical Education,
Kansas Univeristy,
Lawrence, Kansas.

Dear Mr. Allen:

Thank you for your prompt answer of my letter and for the information you were able to give me on Mr. E. J. Collins. I found out the day after I wrote you that he had been dismissed from Kearney State, so his chances for getting into our program are now nil.

You mention in your letter about Mr. Collins being affiliated with Mr. Dan McMullen as an assistant. I am afraid this is another of Mr. Collins' gross exaggerations. Mr. Collins has never worked under Mr. McMullen. Dan is now Director of Athletics at West Kearney High. Previous to that he served two very successful years as Line Coach to "Pop" Klein at Kearney State. I thought it best that I set you right on this matter as it is hard to tell how far Mr. Collins has carried such a tale.

I am anxiously awatiting your game with the Huskers, and perhaps the chance of interviewing you personally. Best of luck to you and your team in the remaining games on your schedule.

Sincerely,

Joe B. Elliott, Jr.
