Dear Mr. Elliott:

Thank you for your letter of February 5th.

I got the information that I sent you from Dean
Nesmith, who is our trainer here. He told me about
Dan McMullen. I am letting Dean Nesmith see your letter
so that he may be fully informed.

I will be glad to see you in Lincoln on the 24th
of February.

Thank you for your good wishes.

Sincerely yours,

Director of Physical Education and Recreation,
