Dear Phog:

Here is the letter I spoke about. Please let me know whether there is anything I could do to push this matter along.

I saw a note in some sport writer's column that Gardner of Kansas State is going to Hawaii to conduct the coaching. Perhaps Confucius would say that "teacher should first show his stuff."

I want to say that this basketball team of ours is certainly keeping a lot of us dizzy. If you can get them through these remaining four games you will be a wonder. I doubt not that you can.

Cordially,

  
Secretary
