

If it isn't too much trouble would you please let me know the outcome of your letter to Mr. Henry and Dr. K. Loog?

If you ever want information regarding boys in this part of the state I would be glad to try and get the information for you.

The board of Education have ask me back for next year. I am looking forward to a good year.

Sincerely yours,
"Sweet" Everley.

P.S.

"K" or no "K" in 100% K.U.
