Mr. Henry Shenk,
University of Kansas,
City.

Dear Henry;

I am returning the bid sheet. I have quoted \$40 for the Victrola. This may not be a Victor, which is the Victrola. So far none have been available but it will be an instrument of comparative quality.

I am quoting 10% discount on the Sound projector as they give us mighty short discount and I must make at least a sandwich and a cup of coffee. I enclose folder. This may not be exactly what you have in mind but it is a very neat piece of merchandise.

Very truly yours,

BELL MUSIC CO.
