

HENRY J. WESELOH
MANAGING DIRECTOR

HOTEL SHAWNEE

SPRINGFIELD, OHIO

2.

He would be glad to talk to you about the entire set-up regarding the use of your name, especially on a line of pads and braces.

He did not think that he wanted another name on basketball now, unless you and Dr. Naismith would be agreeable to our using a "Naismith-Allen"

name on a ball. He says he will take that suggestion up with Mr. Hood and Mr. Carr the last of November when they come in for the next meeting.

I would not make a special trip to St. Louis now, but if you are near there any time please go in and talk to Mr. Scudder.

I will keep you posted on how it develops.

Saw Ohio State and Purdue yesterday.
