INTERCOLLEGIATE ATHLETICS

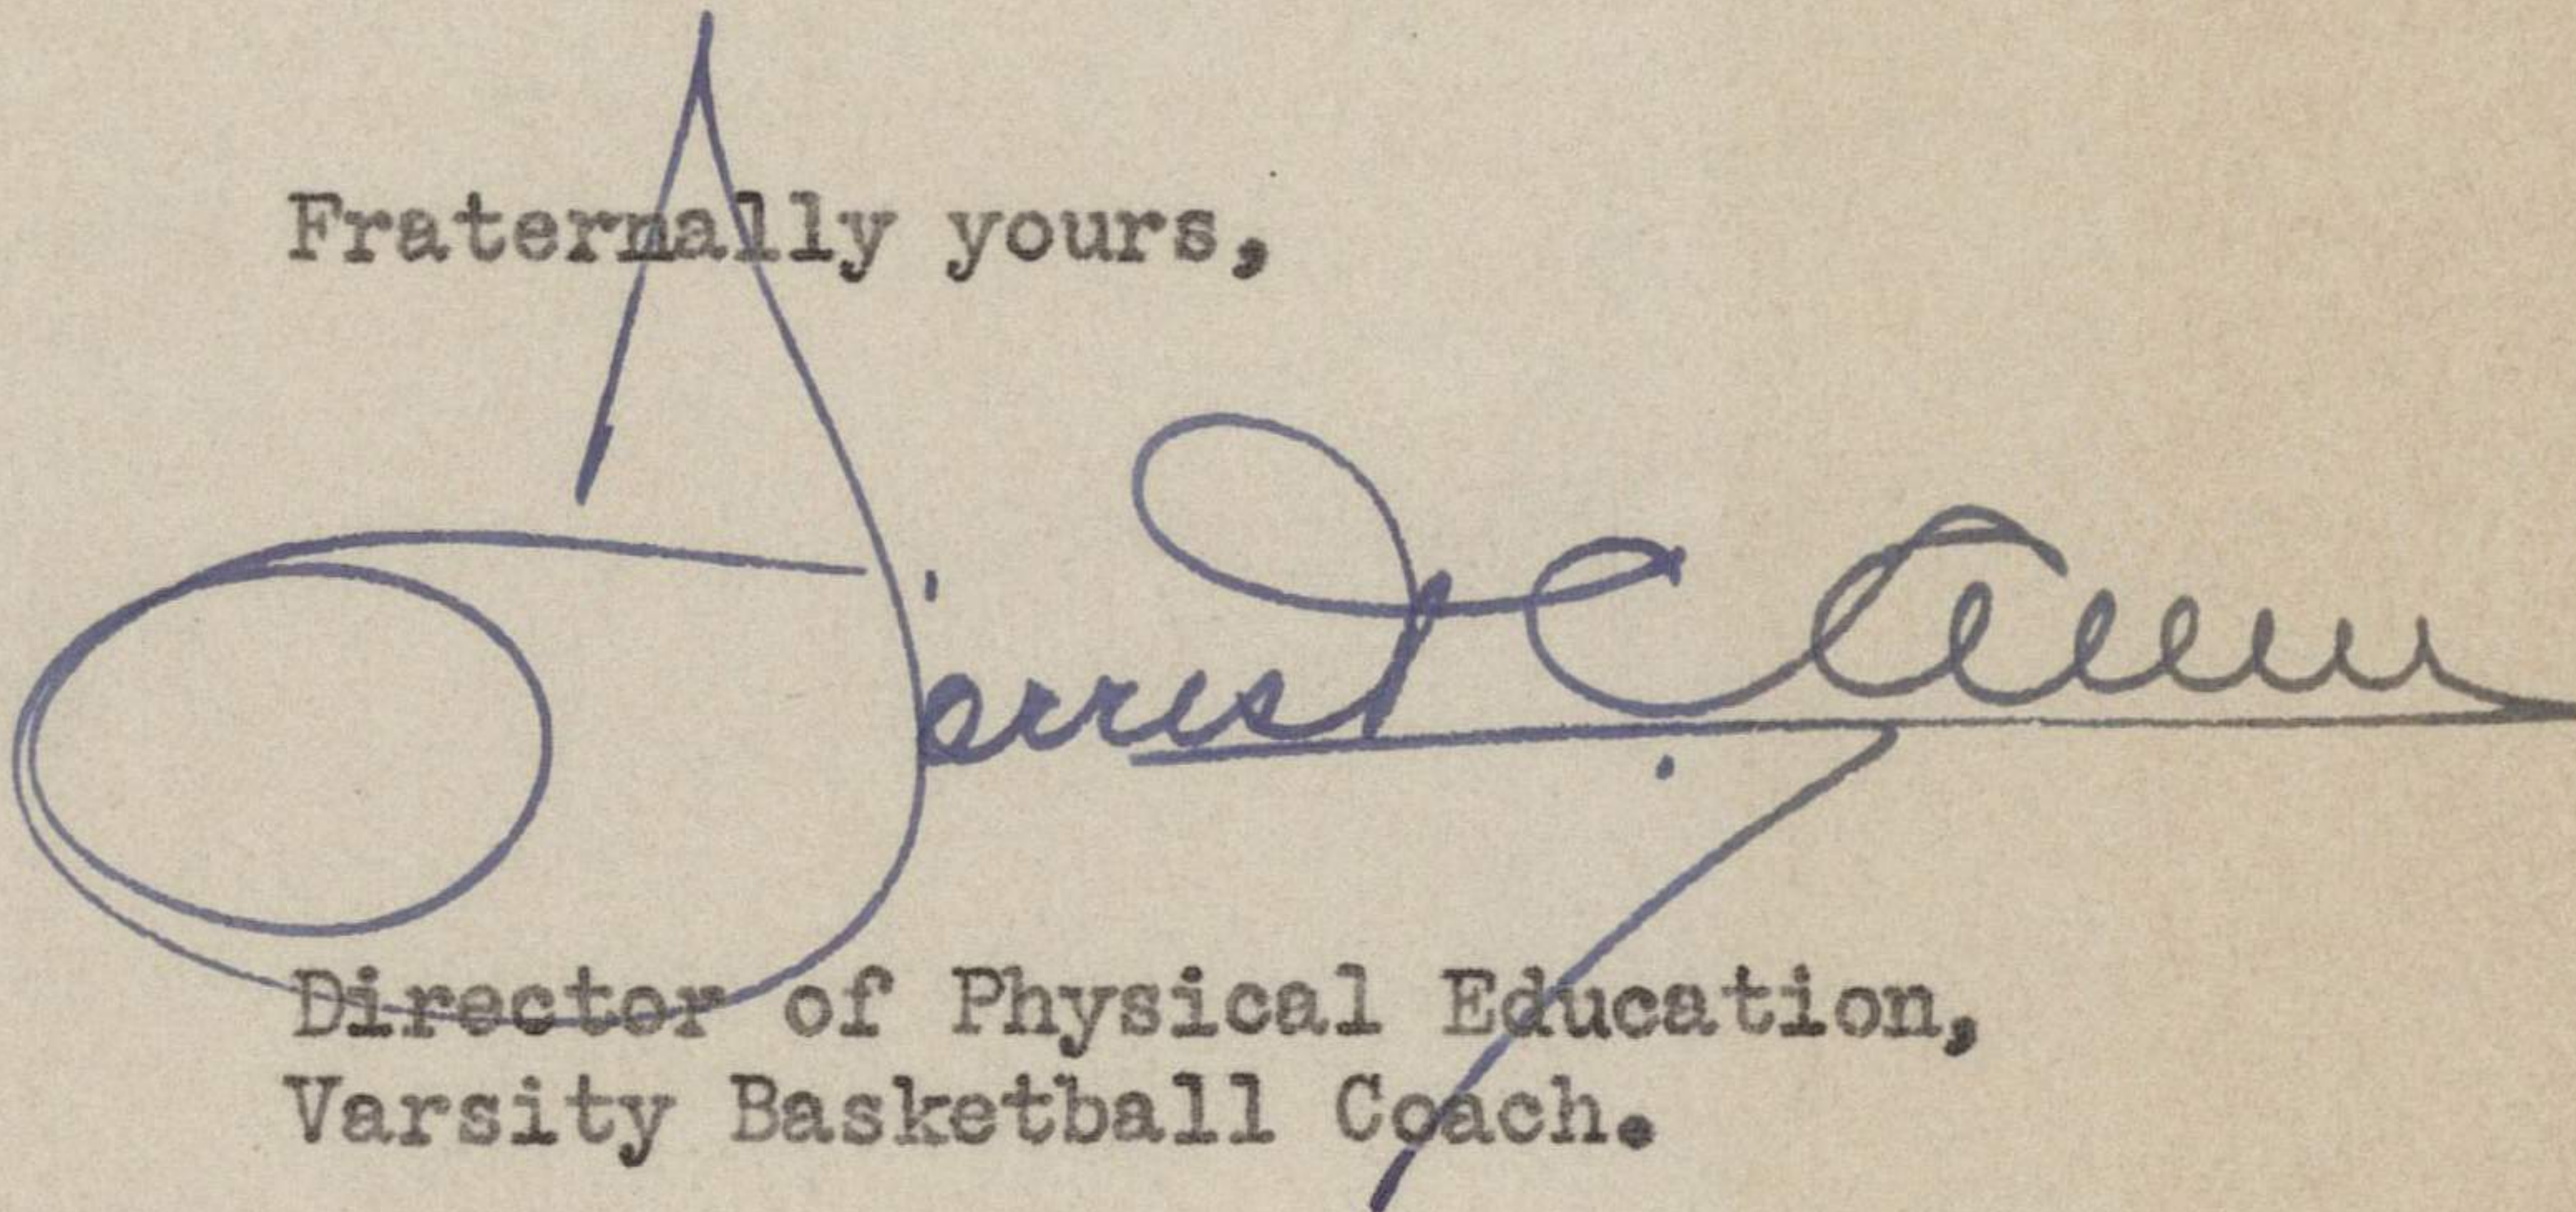

January 11, 1938.

Dr. George Esterly,
801 $\frac{1}{2}$ Massachusetts St.,
Lawrence, Kansas.

Dear Doctor George:

As I promised you, I am sending you a copy of
the correspondence I had with C. E. McBride which was written
confidentially to him, but upon his request to know more about
the trip that John Bunn made to Chanute in regard to Ralph
Miller. This is entirely in confidence.

Fraternally yours,

Director of Physical Education,
Varsity Basketball Coach.

Dear Doctor :-

This amazes me - Certainly
interesting and you know the confidence
in me is appreciated x
What a wonder!
