

OUR TEAM

From the prairies wide as the sea,
Born of spirit daring and free
Men of Kansas proudly do we
Cheer you and give you
Our loy-al-ty.

Chorus:

Hur-rah it's our team
Out there be-fore us,
They wear the Crimson and the Blue;
Hur-rah for our team
A mighty chorus
We'll stand and cheer those Kansans true.
The hour is here now
We have no fear how
Our fighting band will carry through;
That Jayhawk spirit,
Our foes all fear it,
We'll back those Kansans from old K. U.
