Professor Bert Nash,
School of Education,
University of Kansas.

Dear Bert:

Confirming our conversation at the Education breakfast on the Fourth of July I am sending you copy of the letter that I wrote Superintendent Evans. I am also enclosing copy of his reply which came yesterday.

I wanted to keep you advised as to the progress that we desire to make in the Department of Physical Education as a part of the School of Education.

Very cordially yours,

Director of Physical Education,
Varsity Basketball Coach.
