

Specialists' Educational Bureau,
St. Louis, Mo.

July 25, 1938.

I am very happy to recommend Giles Elmore. He has been one of the outstanding majors in our Department of Physical Education, and I have great confidence in his success as a teacher. He is intelligent and cooperative. He has a fine personality, has excellent qualities of leadership, and will exert a fine influence on young people. Mr. Elmore makes a very fine appearance, is clean, capable, and of excellent character. I do not hesitate to recommend him in every way.
