Dr. F. C. Allen
Physical Education Dept.
University of Kansas

Dear Phog:

Please let me add my humble and insignificant word of thanks and praise for your perfectly grand job as toast master at the dinner last Friday evening.

When we chose you for the job I had in mind that somewhere along the line we would have attention focused on your department as a unit in the School of Education. When Dr. Schwegler asked for a time to make the announcement about new things in the School of Education I thought he would include that. I was therefore surprised and disappointed that nowhere along the line was the point specifically brought out. No doubt your presence would naturally call attention to the fact, but I am sorry that the department of physical education was not specifically mentioned and explained. I will see to that definitely next time.

Here's a K. U. notebook for keeping track of your dates.

Very truly yours,

Secretary
