Mr. E. J. Ellis,
1305 North 8th Street,
Kansas City, Mo.

Dear Mr. Ellis:

I am rather making a progress report on the possibility of graduate work toward a Master's degree in Physical Education at the University of Kansas.

Dean Stouffer, the dean of the Graduate School, has been out of his office most of the time since you were here. He was in the east attending meetings in which he acted for Chancellor Lindley. He has just returned and I am hoping to see him this week-end with a view toward making our first step in having work accepted. You will hear from me from time to time.

Very sincerely yours,

FCA:AH

Director of Physical Education.
