Lawrence, Kansas.

Dear Doctor George:

Again I am indebted to you for your manifold kindnesses, and in lieu of my calling on you, which I had hoped to do sooner than this, I want you to know that I very, very much appreciate all the nice things that you have done - especially this last gesture, which was most appreciated.

I thought it was a fine evening, and I believe everybody had a good time. I know all of our basketball men, both the varsity and the freshmen, thought it was a fine evening, and we are indebted to you, Dr. Anderson, and Woeste for the carrying through of this thing.

With deep appreciation, I am

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
