Dear Phog:

I am obliged for your note about Art Hodson. He jumped center and then played stationary guard on my La Cygne High School team--the one product of my coaching. It's too bad that Art couldn't have gone to college, because he was quite as handy with his mits as Dick Harp.

I have been planning to write you or call you or something to express my appreciation of your going out so much this spring over the state. That is doing the University a lot of good.

With best regards, I am

Very truly,

Secretary
