

April 15, 1938.

Mr. Paul Endicott, Vice President,  
Phillips Petroleum Company,  
Bartlesville, Oklahoma.

Dear Paul:

This will introduce Wade Green, a senior Industrial engineer, who will graduate this June. Professor E. D. Hay is head of the department.

Wade played end for three years on the football team, 1934, 1935, 1936. He was on the track team for the same academic years.

Wade is very much interested in receiving favorable attention from your corporation. He would appreciate it if you could get him in touch with your personnel man so that he might have an interview with him.

Wade Green's home is in Bismarck, North Dakota. He has been assisting in the athletic department as assistant freshman football coach and assistant trainer for athletic teams. He has indulged in these activities to help defray his school expenses.

I am glad to commend to you Wade Green, who is a fine, clean, aggressive and capable young man. I have known him for several years, and will gladly recommend him without reservation. He has no bad habits. He is very eager to get located in the oil industry, if possible. Any kindness or consideration that you may show him will be greatly appreciated by me.

Sincerely yours,

Director of Physical Education,  
Varsity Basketball Coach.
