

March 2, 1938.

Dr. E. E. Ebling,
Lindsborg, Kansas.

Dear Dr. Ebling:

Thank you so much for your good letter of March 1 telling us that you will be with us to see the game, but not to stay at our home. Had it not been for the fact that Mrs. Allen has just finished a very strenuous club paper on a very difficult assignment, I would insist that the entire Ebling household stay with us. Our house is large enough, but I know that the hotel, under the conditions, will provide the best answer to your situation.

I am to leave for Columbia on Friday for the Big Six track meet. I am to have some special duties down there, and for that reason I am going down. Otherwise I would be here. But I will make it a point to have a visit with you and your family Friday morning before I leave. I do hope Mrs. Allen will be able to be free enough to drop down to the hotel for a short visit.

Do not worry about your being a jinx to our ball club. I never believed in jinxes, and I don't believe in this one. It will be a great pleasure to have you. The way the weather looks it is a little encouraging now, and I am trusting that you will have a very nice drive up, an enjoyable visit here, and a pleasant drive home. To make that visit one of pleasantry it is up to us to see that Kansas comes through all right with Missouri. We will do the best we can.

I also will be happy to see Don's boy friend. Don is playing a great game and we are very proud of him. In fact, we are proud of all the Eblings.

With every good wish, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
