John Bunn,
Dean of Men,
Stanford University,
California.

Deans Schwegler, Stouffer and Lawson have approved credentials and qualifications of Burt DeGroot. Chancellor Lindley ~~wire~~ cabled Colonel Adna Clarke, Honolulu and received this unsatisfactory reply. "Character and standing DeGroot excellent. Has not been here long enough to form adequate estimate qualifications teacher or coach." I will need strong testimonial from you and Dr. Storey to offset this situation in Chancellor's mind. Can you both conscientiously wire me strong recommendation at my expense. Have conferred with both Dudley and Burt. Both highly favorable to acceptance of position here. Regards.

Forrest C. Allen.
