Dear Murray:

Glad that you and Lucy enjoyed the Rebounds.

New York is quite a place and I know that you and Lucy didn't miss any of the sights. I know of no place better than New York to see your acquaintances from the four corners of the U.S.A. I find that around Times Square I can run into a lot of acquaintances of mine, even though it is quite a ways from home.

I can appreciate that things are getting tough because they are washing more out now than ever for the very obvious reason that the fittest will survive, we hope.

I have on my desk letters from Schnell, Clint Kanaga, Johnny Pfitsch, and a score of the other chaps. They are all wishing for the time, they hope, when they will see us in 1945. I certainly hope that the fuss is over by that time, and that you and Lucy can be back.

I will pass your good wishes on to Dean, Henry and Elmer. With all good wishes, I am

Sincerely yours,

Director of Physical Education,
Varsity Basketball Coach.
