

Duke Kennedy. From the station we
took a bus to the ^{Detroit Leland} Hotel ~~and~~ where
we were given an allowance for
dinner and sent on our way.

We all reported by at 5:15 and
got dressed for ~~our~~ ^{the} alumni dinner.
There were six boys in each of
two rooms and the other four stayed
in the ~~other~~ ^{another} room.

We took the street car for the
Engineering Society Building which was
completed last February at a cost of
one and a half million dollars. The
building was ultra-modern in every
respect and was truly an engineer's
dream.

The dinner was ^{acute} to be a steak dinner
but due to the shortage of steaks we
had a fine roast beef dinner with
all the trimmings.

Immediately after dinner each
person whether he was squad member
or alumna introduced himself. ~~and~~ after
Doctor Allen's speech there was an informal
