Mr. Frank L. Myers,
Baseball Coach,
Kansas State College,
Manhattan, Kansas.

Dear Frank:

Thank you very much for your good letter of the 17th instant. We are counting on the dates of April 10 and 11 at Manhattan, and May 8 and 9 at Lawrence.

One thing I like about our relations with your school - we have never quarreled about much of anything. And I am very happy to have your suggestion about the night games. We don't have many games on our schedule, and if the weather is cold and wet, and we desire to make other arrangements, that can be done very easily.

When I get back from Kansas City I will be glad to get in touch with you about our schedule.

Sincerely yours,

FCA:AH
