After a night on the Pullman we arrive in Pittsburgh, Pa., get stung for breakfast, ride all day until 5:00 o'clock to Chicago. In the same car is the Santa Clara team. A fine, clean bunch of boys if I ever saw such. Arriving in Chicago we eat and then go directly to our rooms and asleep by nine.

Arising rather late we go to Marshall Fields and buy our girls a nice present. Inexpensive but sentimental. In the p. m. we rest and prepare ourselves mentally for the game. The game very rough was won. A good many alumnus of K. U. were there, many meeting each other for the first time. After the game we _____ and then retired.
