Dear "Phog":

I am writing you because of the illness of Mr. Frank L. Myers, our baseball coach. His health is in such a condition that I feel that he should not attempt the arduous task of coaching, and for the rest of the season Mr. "Chili" Cochrane will be in charge of the baseball team.

We are still planning on having a night game Monday, and we very much appreciate your willingness to play the game under lights as it makes it possible for many of the faculty and the citizens of Manhattan to attend the game.

Sincerely yours,
