Mr. Chili Cochrane,  
Kansas State College,  
Manhattan, Kansas.

Dear Chili:

There was a slight misunderstanding regarding the wording of the minutes of our Finance Committee in regard to our baseball schedule. The boys would like to play Kansas State if it can be arranged.

I am having a conference with Director Henry and the Chancellor regarding our schedule. Is there a possibility of including us on your schedule if arrangements can be made here?

Sincerely yours,

FCA:AH
