

April 22, 1942.

Captain William C. Lane,
Air Corps, A & R Officer,
Jefferson Barracks, Mo.

Dear Captain Lane:

We would be very happy to play your baseball team, but we do not have the transportation facilities. I am afraid it is out of the question this year, much as we would like to play your team. The matter of tires has us stymied.

Very sincerely yours,

FCA:AH

Director of Physical Education and Recreation,
Varsity Basketball and Baseball Coach.
