Dean E. B. Stouffer,
The Graduate School,
University of Kansas.

Dear Dean Stouffer:

I am enclosing an announcement from the University of California concerning the graduate teaching assistantships in Physical Education that will be available for candidates interested in obtaining the master's degree.

I am calling this to your attention because I feel that we are about ready for something of this sort in our department. We have several outstanding seniors, both men and women, in our major group this year.

I shall be glad to have your reaction to this suggestion.

Sincerely yours,

Director of Physical Education and Recreation,
Varsity Basketball Coach.
