Dear Sirs:

The Department of Physical Education requests permission to offer a new course, Physiology of Exercise.

Physiology of Exercise for 3 hours credit -- Fall Semester. Course for graduate and advanced undergraduate students in Physical Education. Lectures, textbook assignment, and problems designed to familiarize the student with the physiological changes occurring within the body during exercise. Prerequisite -- 3 hours Physiology.

The course is to be taught by Dr. E. R. Elbel. We suggest 186 as a possible number for the course.

Very sincerely,

Henry A. Shenk,
Chairman of the
Department of Physical Education.
